**Subject:** IOM References - Condensed List

Hi Val-

The attached is a condensed list of the references that need to be submitted to the I.O.M. The highlighted references are the articles that we have received as of 5/31/00. Therefore we have obtained only about 40% of the required articles. Hopefully more will be in before the week is out.

F.Y.I. When you print it out the bolded-double asterisks are the highlighted materials.

References for  
Submission to I...

Thanks,
